**Subject:** Verizon info

Hi Julie, per your request:

1. MACC/Verizon Franchise effective date: 5/25/2007
2. MACC/Verizon Service date: 12/7/2007
3. PEG channels lit up: 12/21/2007 (there were some earlier attempts, but final full PEG lineup was delivered 12/21).

Hope that helps.
