

DISSOLUTION AGREEMENT

The undersigned member jurisdictions (“Jurisdictions”) of the Mt. Hood Cable Regulatory Commission (“Commission”) hereby agree to dissolve the Commission as provided in Section 13 of the Mt. Hood Cable Regulatory Commission Intergovernmental Agreement, as amended March 1998 (“IGA”), and as provided in this Dissolution Agreement (“Agreement”). This Agreement shall be effective as of the date of the last signature below. Dissolution will be effective as of the earlier of June 30, 2026, or the date on which the Commission has settled all outstanding obligations and distributed the Commission’s assets, as provided below.

The Jurisdictions agree to wind up the Commission’s affairs and hereby authorize the Commission and current Commission staff to complete all tasks necessary to wind up the Commission’s affairs consistent with the IGA, this Agreement and applicable law. Without limiting the generality of the foregoing, Commission staff is specifically authorized to determine and pay all existing debts, liabilities and obligations, and any debts, liabilities and obligations incurred from the date of this Agreement through the Effective Termination Date (as defined below), consistent with the adopted Commission budget. Commission staff will then determine the remaining assets of the Commission and distribute those assets based on the following rates, as provided in Section 12 of the IGA:

City of Portland	65%
City of Gresham	27%
City of Troutdale	4%
City of Fairview	2%
City of Wood Village	1%
Multnomah County	1 %

The date on which all debts, liabilities and obligations have been paid, remaining assets have been distributed to the Jurisdictions, and all other tasks necessary to wind up the Commission’s affairs are complete shall be the “Effective Termination Date.” The Commission Chair or designee will certify in writing to all Jurisdictions the Effective Termination Date. If the Chair or designee has not certified the Effective Termination Date by June 30, 2026, then June 30, 2026 shall be the Effective Termination Date, in which case the Commission and Commission staff shall continue to exist after the dissolution for such period, no longer than three months, as is necessary to wind up the Commission’s affairs but for no other purposes, as provided in Section 12 of the IGA.

Upon the Effective Terminate Date, the IGA will terminate and be of no further force or effect, and neither the Commission nor the Jurisdictions will have any authority, rights or obligations that arise under the IGA. The Jurisdictions intend that all debts, liabilities and obligations of the Commission shall be paid or otherwise discharged prior to the Effective Termination Date and that, notwithstanding ORS 190.080(3), there shall be no debts, liabilities or obligations of the Commission that could be, jointly and severally, the debts, liabilities and obligations of the Jurisdictions.

Each Jurisdiction hereby releases, discharges and waives any and all actions, causes of action, claims, suits, proceedings, debts, judgments, damages, liabilities and obligations of any and every kind, nature and character, whether in tort, contract, equity or otherwise, known or unknown, foreseen or unforeseen, anticipated or unanticipated, suspected or unsuspected, which the Jurisdiction may now have, or has ever had, arising out of or related to the IGA or the other Jurisdictions' actions related or pursuant to the IGA.

The Jurisdictions direct the Commission to follow an accelerated timeline for reviewing and approving the final projects that will receive Community Technology Grants from funds budgeted for FY 2025-26. The Commission should review and approve the final round of projects well in advance of June 30, 2026, and work with potential grantees to ensure they are aware of and submit applications within the accelerated timeline.

This Agreement is approved and executed by the appropriate officer who is duly authorized to execute this Agreement on behalf of the governing body of each Jurisdiction. This Agreement may be signed in several counterparts, each of which will be fully effective as an original and all of which together will constitute one and the same instrument. Signatures to this Agreement transmitted by facsimile or electronic mail will be deemed the equivalent of delivery of an original signature.
