RE: Important Information—Price Changes

Dear Ms. Omelchuck:

We are committed to constantly improving our customers' entertainment and communications experience in the MHCRC service area, and we continue to invest in making their services even better. For example, our investment in the X1 user interface has been extremely popular and is helping customers find and enjoy the vast array of content they receive. We continue to bring customers innovative improvements like the X1 voice controlled remote control, the X1 talking guide, X1 Cloud DVR services, and the X1 Sports App. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting October 1, 2016, new prices will apply to select XFINITY TV and Internet services and equipment as reflected in the enclosed notice.

We are committed to providing our customers with a consistently superior experience, including 24/7 customer service and on-time arrival—or we'll credit the customer \$20. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes. If I can be of any further assistance, please contact me at (503) 605-6349.

Sincerely,

Marc Farrar
Regional Vice President of External Affairs
