(B) Competing Cable Systems.
If, after the effective date of this Franchise, **INSERT JURISDICTION** enters into and authorizes a Cable Services franchise, permit, license or other form of agreement with any person other than Grantee to enter the Streets for the construction and operation of a Cable System providing Cable Services within any part of Grantee’s Franchise Area in which Grantee is actually providing Cable Services, the material provisions of such agreement shall be reasonably non-discriminatory and competitively neutral with respect to the material provisions of this Franchise, unless otherwise restricted by law.

(2) Grantee, by acceptance of this franchise, acknowledges that it has not been induced to enter into the franchise by any understanding or promise or other statement, whether verbal or written, by or on behalf of INSERT JURISDICTION or by any other Person.

1.5 Charter and General Ordinances To the extent authorized by law, the Grantee’s Franchise with INSERT JURISDICTION is subject to the Charter of INSERT JURISDICTION and any general ordinances and resolutions passed pursuant thereto, now in effect or hereafter made effective, affecting matters of general INSERT JURISDICTION concern and not materially in conflict with the Grantee’s existing contractual rights, now in effect or hereafter made effective. Nothing in this Franchise shall be deemed to waive the requirements of the various codes, ordinances and resolutions of the INSERT JURISDICTION regarding permits, fees to be paid or the manner of construction. Grantee shall comply with all applicable INSERT JURISDICTION ordinances, resolutions, rules and regulations adopted or established pursuant to INSERT JURISDICTION’s lawful authority. Nothing in this franchise shall be deemed a waiver by Grantee or INSERT JURISDICTION of the rights of Grantee or INSERT JURISDICTION under applicable law.

In fulfilling the terms of this Franchise, Grantee is expected to rely upon, look to, communicate with, and comply with the decisions and orders of the Commission, its agents, and employees on all cable matters with respect to which the INSERT JURISDICTION has lawfully delegated the exercise of the INSERT JURISDICTION’s authority under this Franchise. Grantee agrees that although the sum of franchise fees and the payments set forth in Section 8 may total more than five percent of Grantee’s Gross Revenues in any 12-month period, the additional commitments are not to be offset or otherwise credited in any way against any franchise fee payments under this Franchise.

(A) Grantee shall perform the following tests on its Cable System:

(1) All tests required by the FCC; and

(2) Any other tests reasonably necessary to determine compliance with this Franchise or in response to subscriber complaints.

(B) Grantee shall maintain written Records of all results of its Cable System tests, performed by or for the Grantee. Such test results shall be available for inspection by the INSERT JURISDICTION upon request.

10.3 Specific Technical Facilities or Capabilities. The following specific technical facilities or capabilities shall be provided on the Cable System by the Grantee:

(A) 100% Emergency Standby Power. Grantee shall maintain standby power generating capacity throughout the Cable System that serves Subscribers within the Franchise Area. All standby power systems shall be rated to provide at least two (2) hours duration. In addition, throughout the term of this Franchise, Grantee shall have a plan in place, along with all resources necessary for implementing such plan, for dealing with outages of more than two hours. This outage plan and evidence of requisite implementation resources shall be presented to the INSERT JURISDICTION upon request.

(B) Emergency Override. Grantee shall comply with all applicable federal regulation regarding emergency alert systems, including equipment standards and procedures for alerting capacities. The INSERT JURISDICTION may identify authorized emergency officials for activating the emergency alert system. The INSERT JURISDICTION may also develop a local plan containing methods of emergency alert system message distribution, subject to federal review and approval as provided by federal rules.

Section 11. CUSTOMER SERVICE AND CONSUMER PROTECTION

11.1 INSERT JURISDICTION’s Cable Television Consumer Protection Policy. Grantee shall comply with the INSERT JURISDICTION’s Cable Television Consumer Protection Policy.

11.2 Subscriber Contracts. Grantee shall not enter into contracts with Subscribers which are inconsistent in any material sense with the requirements of this Franchise.

Section 12. COMPENSATION AND AUDITING

12.1 Amount of Compensation. As compensation for the benefits and privileges under this Franchise and in consideration of permission to use the Streets of the INSERT JURISDICTION, the Grantee shall pay as a franchise fee to the INSERT JURISDICTION, throughout the duration of this Franchise, an amount equal to INSERT AMOUNT.
12.2 Payments and Quarterly Reports.

(A) Payments. Grantee’s franchise fee payments to the INSERT JURISDICTION shall be computed quarterly following the effective date of this Franchise for the preceding quarter Year period ending September 30, December 31, March 31, and June 30. Each quarterly payment shall be due and payable no later than forty-five (45) days after the quarter ending date.

(B) Quarterly Reports. Each payment shall be accompanied by a written report to the INSERT JURISDICTION, verified by Grantee, containing an accurate statement in summarized form, as well as in detail, of Grantee’s Gross Revenues and the computation of the payment amount. Such reports shall be in a form satisfactory to the INSERT JURISDICTION.

12.3 Interest on Late Payments. Payments not received within forty-five (45) days from the quarter ending date shall be assessed interest compounded at the rate of one percent (1%) per month from the due date.

12.4 Cost of Publication. Grantee shall pay the cost of publication of this Franchise and any amendments thereto, as such publication is required by the INSERT JURISDICTION’s Charters.

12.5 Alternative Franchise Compensation. In the event the obligation of Grantee to compensate the Jurisdictions through franchise fees is lawfully suspended or eliminated, in whole or in part, then the Grantee shall pay to the INSERT JURISDICTION compensation equivalent to the compensation paid to the INSERT JURISDICTION by other similarly situated users of the Streets for Grantee’s use of the Streets, to the extent the INSERT JURISDICTION has the legal right to require such compensation.

12.6 Maximum Legal Compensation. The parties acknowledge that, at present, applicable federal law limits the INSERT JURISDICTION to collection of a maximum permissible franchise fee of five percent (5%) of Gross Revenues related to Cable Services. In the event that at any time during the duration of this Franchise, the INSERT JURISDICTION is authorized to collect an amount in excess of five percent (5%) of Gross Revenues, then the INSERT JURISDICTION may request a modification of this Franchise.

12.7 Additional Commitments not Franchise Fees. No term or condition in this Franchise shall in any way modify or affect the Grantee’s obligation to pay franchise fees related to Cable Services in accordance with applicable law. Although the total sum of such franchise fee payments and additional commitments set forth elsewhere in this Franchise may total more than five percent (5%) of Grantee’s Gross Revenues in any 12-month period, Grantee agrees that the additional commitments in this Franchise are not franchise fees as defined under 47 U.S.C. § 542, nor are they to be offset or credited against any franchise fee payments due to the INSERT JURISDICTION, subject to applicable Federal law. Except as otherwise authorized by 47 U.S.C. § 542, and the regulations promulgated thereunder, Grantee shall not pass these additional commitments through to subscribers.

12.8 Acceptance of Payment and Recomputation. No acceptance of any payment pursuant to Section 8 or Section 12 of this Franchise shall be construed as an accord that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim the INSERT JURISDICTION may have for further or additional sums payable. All amounts paid under Section 8 or Section 12 of this Franchise shall be subject to audit by the INSERT JURISDICTION. Grantee agrees to pay the INSERT JURISDICTION for:

(A) Interest on any underpayment of an amount due under Section 8 or Section 12 of this Franchise that is disclosed as the result of an audit, such interest to be calculated at a rate two percent (2%) per annum above the publicly announced prime rate of interest charged by Bank of America NT & SA, or its successors, to its
most credit worthy commercial customers as of the date of the audit ("Bank of America's Prime Rate") or its successors or assigns as designated by the INSERT JURISDICTION from the date on which payment was due until the date on which full payment of the interest charge is received by the INSERT JURISDICTION. If such payment is not received within thirty (30) days of notice from the INSERT JURISDICTION, then interest shall be compounded daily from the date on which the payment was due until the date the INSERT JURISDICTION receives the payment.

(B) A Penalty of five percent (5%) of the underpayment shall be assessed and due within thirty (30) days of written notice from the INSERT JURISDICTION, if the INSERT JURISDICTION’s audit discloses that the Grantee has paid ninety-five percent (95%) or less of the principal amount owing for the period under audit. If such payment is not received within thirty (30) days of written notice from the INSERT JURISDICTION, then interest shall be compounded daily from the date on which the payment was due until the date on which the INSERT JURISDICTION receives the payment, such interest to be calculated at a rate two percent (2%) per annum above the publicly announced prime rate of interest charged by Bank of America NT & SA, or its successors, to its most credit worthy commercial customers as of the date of the audit ("Bank of America's Prime Rate") or its successors or assigns as designated by the INSERT JURISDICTION.

12.9 Escrow. If the Grantee disputes the INSERT JURISDICTION’s determination of underpayment under Section 8 or Section 12 of this Franchise, the Grantee shall place the disputed amount in an escrow account at a financial institution with instructions agreed to by the INSERT JURISDICTION until final resolution.

12.10 Authority to Audit.

(A) The INSERT JURISDICTION and its agents and representatives shall have authority to arrange for and conduct audits under Section 13, within the Portland metropolitan region, upon no less than thirty (30) days prior written notice, and during normal business hours. The INSERT JURISDICTION may determine the scope of audit in each instance.

(B) The Grantee agrees to reimburse the INSERT JURISDICTION for:
   (1) The reasonable costs of such audit if the audit discloses that the Grantee has paid 95% or less of the fees owing under Sections 8 and 12 for the period at issue; or
   (2) One half of the reasonable costs of such audit if the audit discloses that the Grantee had paid more than 95% but less than 98% of the fees owing under Sections 8 and 12 for the period at issue.
   (3) The Grantee shall reimburse the INSERT JURISDICTION within 30 days of receipt of an invoice from the INSERT JURISDICTION showing such costs were actually incurred and were directly related to the audit.

12.11 Liability for Licenses and Taxes. Except as provided in Section 12.5, payment of the franchise fee and other financial obligations under this Franchise shall not exempt Grantee from the payment of any license fee, tax or charge on the business, occupation, property or income of Grantee that may be imposed by the INSERT JURISDICTION, except as may otherwise by provided in the ordinance or ordinances imposing such other license fee, tax or charge. The INSERT JURISDICTION’s right to impose any such license fee, tax or charge shall be subject to any limitations on the INSERT JURISDICTION under applicable law.

Section 13. GENERAL INDEMNIFICATION AND INSURANCE

13.1 Indemnification.

(A) General Indemnification. Grantee hereby agrees and covenants to indemnify, defend and hold the INSERT JURISDICTION, its officers, agents and employees, harmless from any claim for injury, damage,
loss, liability, cost or expense, including court and appeal costs and reasonable attorney fees or expenses, arising from any casualty or accident to Person or property by reason of any construction, excavation or any other act done under this Franchise, by or for Grantee, its agents or employees, or by reason of any neglect or omission of Grantee to keep its Cable System with all necessary Facilities in a safe condition, but not if arising out of or by reason of any negligence or willful misconduct by the INSERT JURISDICTION, its officers, agents or employees. The INSERT JURISDICTION shall provide Grantee with prompt notice of any such claim which Grantee shall defend with counsel of its own choosing and no settlement or compromise of any such claim will be done without the prior written approval of Grantee. Grantee and its agents, contractors and others shall consult and cooperate with the INSERT JURISDICTION while conducting its defense of the INSERT JURISDICTION.

(B) Indemnification for Relocation. Grantee also hereby agrees to indemnify the INSERT JURISDICTION, its officers, agents and employees, for any damages, claims, additional costs or expenses assessed against or payable by the INSERT JURISDICTION arising out of or resulting, directly or indirectly, from Grantee’s failure to remove, adjust or relocate any of its Cable System in a timely manner in accordance with a reasonable relocation schedule furnished to Grantee by the INSERT JURISDICTION Engineer unless Grantee’s failure arises directly from the INSERT JURISDICTION’s negligence or willful misconduct.

(C) Indemnification – Hazardous Substances. Grantee agrees to forever indemnify the INSERT JURISDICTION, its officers, agents and employees, from and against any claims, costs and expenses of any kind, whether direct or indirect, or pursuant to any state or federal law statute, regulation or order, for the removal or remediation of any leaks, spills, contamination or residues of Hazardous Substances, associated with, arising from or due to Grantee’s structures or other Facilities in the Streets.

(D) Defense of the Franchise. Grantee agrees and covenants to indemnify, defend and hold the INSERT JURISDICTION, its officers, agents and employees, harmless from injury, damage, loss, liability, reasonable cost or expense, including expert witnesses and other consultants, court and appeal costs and reasonable attorney fees or expenses, arising from or in any way related to the grant of, or terms of, this Franchise. This agreement to indemnify, defend and hold harmless encompasses, but is not limited to, injury, damages, losses, liabilities, costs or expenses, including expert witnesses and other consultants, court and appeals costs and reasonable attorney fees and expenses that in any way arise in connection with a claim or defense that the INSERT JURISDICTION: (1) lacked authority under federal or state law, its charters, INSERT JURISDICTION codes or ordinances in granting this Franchise; (2) acted in any disparate or discriminatory manner against any incumbent franchisee or permittee in granting this Franchise; (3) granted this Franchise in violation of any contractual rights belonging to any incumbent franchisee or permittee.

13.2 Insurance.

(A) The Grantee shall maintain public liability and property damage insurance that protects the Grantee and the INSERT JURISDICTION, as well as the INSERT JURISDICTION’s officers, agents, and employees from any and all claims for damages or personal injury including death, demands, actions and suits brought against any of them arising from operations under this Franchise or in connection therewith. The insurance shall provide coverage at all times of not less than $1,000,000 combined single limit for bodily injury liability and property damage liability per occurrence with an annual aggregate limit of not less than $3,000,000. The limits of the insurance shall be subject to any changes as to maximum statutory limits of liability imposed on municipalities of the State of Oregon during the term of the Franchise. The insurance shall be without prejudice to coverage otherwise existing and shall name as additional insureds the INSERT JURISDICTION and its officers, agents, and employees. Notwithstanding the naming of additional insureds,
the insurance shall protect each insured in the same manner as though a separate policy had been issued to each, but nothing in this Franchise shall operate to increase the insurer’s liability as set forth elsewhere in the policy beyond the amount or amounts for which the insurer would have been liable if only one person or interest had been named as insured. The coverage must apply as to claims between insureds on the policy. The insurance shall provide that the insurance shall not be canceled or materially altered without thirty (30) days prior written notice first being given to the INSERT JURISDICTION. If the insurance is canceled or materially altered within the term of this Franchise, Grantee shall provide a replacement policy with the same terms. Grantee agrees to maintain continuous uninterrupted coverage, in the terms and amounts required, for the duration of the Franchise.

(B) The Grantee shall maintain on file with the INSERT JURISDICTION a certificate of insurance certifying the coverage required above. The adequacy of the insurance shall be subject to the approval of the INSERT JURISDICTION City Attorney or authorized legal counsel. Failure to maintain liability insurance shall be cause for the INSERT JURISDICTION to declare a forfeiture of this Franchise under and subject to Section 20.1(C).

(C) In the alternative to providing a certificate of insurance to the INSERT JURISDICTION certifying liability insurance coverage as required in Section 13.2 (A), Grantee may provide the INSERT JURISDICTION with an Annual statement regarding its self-insurance. Grantee’s self-insurance shall provide at least the same amount and scope of coverage for the Grantee and the INSERT JURISDICTION, its officers, agents and employees, as otherwise required under Section 13.2(A). The adequacy of such self-insurance shall be subject to the City Attorney’s or authorized legal counsel’s review and approval. Upon Grantee’s election to provide self-insurance coverage under this Section 13.2 (C), any failure by the Grantee to maintain adequate self-insurance shall be cause for the INSERT JURISDICTION to declare a forfeiture of this Franchise under and subject to Section 21 of this Franchise.

(D) The INSERT JURISDICTION shall require as a condition of any separate agreement between the INSERT JURISDICTION and an Designated Access Provider that the Designated Access Provider shall include the Grantee as a named insured in the Designated Access Provider’s liability insurance policy with respect to any claim for injury, damage, loss, liability, cost or expense arising from Programming or other transmission placed by Designated Access Provider on PEG Access Channels or the Institutional Network (but not if arising out of or by reason of any act done by the Grantee or its officers, agents or employees).

13.3 Faithful Performance Bond.

A) Upon the effective date of this Franchise, the Grantee shall furnish proof of the posting of a faithful performance bond running to the INSERT JURISDICTION with good and sufficient surety approved by the INSERT JURISDICTION, in the penal sum of not less than $100,000, conditioned that the Grantee shall well and truly observe, fulfill, and perform each term and condition of the Franchise. Grantee shall pay all premiums charged for the bond, and shall keep the bond in full force and effect at all times throughout the term of the Franchise, including, if necessary, the time required for removal of all of Grantee’s Cable System installed in the Streets. The bond shall contain a provision that it shall not be terminated or otherwise allowed to expire without thirty (30) days prior written notice first being given to the INSERT JURISDICTION. The bond shall be reviewed and approved as to form by the INSERT JURISDICTION City Attorney or authorized legal counsel.

(B) During the term of the Franchise, Grantee shall file with the INSERT JURISDICTION City Attorney or authorized legal counsel a duplicate copy of the bond along with written evidence of payment of the required premiums. However, in no event shall the INSERT JURISDICTION exercise its rights against
the performance bond under this Section 13.3 if a bona fide, good faith dispute exists between the **INSERT JURISDICTION** and the Grantee.

(C) Subject to the **INSERT JURISDICTION**’s prior approval, Grantee may provide an irrevocable letter of credit or other form of financial assurance in lieu of a faithful performance bond. The alternative form of financial assurance shall give the **INSERT JURISDICTION** substantially the same rights and guarantees provided by a faithful performance bond.

13.4 Construction Bond. During all times when Grantee is performing any construction work in or under the Streets requiring a Street opening permit, Grantee shall post a faithful performance bond running to the **INSERT JURISDICTION**, as is required for Street opening permits, with good and sufficient surety approved by the **INSERT JURISDICTION**, in the sum of $100,000. The bond shall be conditioned that the Grantee shall well and truly observe, fulfill and perform each term and condition under Section 14. Grantee shall pay all premiums or other costs associated with maintaining the bond, and shall keep the same in full force and effect at all times during the construction work. The bond shall provide that it may be terminated upon final approval of Grantee’s construction work in or under the Streets by the **INSERT JURISDICTION** Engineer. Upon such approval, the **INSERT JURISDICTION** agrees to sign all documents necessary to release the bond in accordance with the terms of this Section 13.4. During the duration of the construction work, Grantee shall file with the **INSERT JURISDICTION** City Attorney or authorized legal counsel a copy of the bond, along with written evidence of the required premiums. The bond shall be subject to the approval of the **INSERT JURISDICTION** City Attorney or authorized legal counsel as to its adequacy under the requirements of this Section 13.4.

Section 14. GENERAL STREET USE AND CONSTRUCTION

14.1 Construction.

(A) Subject to applicable regulations of the **INSERT JURISDICTION**, Grantee may perform all construction necessary for the operation of its Cable System. All construction and maintenance of any and all Facilities within Streets incident to Grantee’s Cable System shall, regardless of who performs the construction, be and remain the Grantee’s responsibility. Grantee shall apply for and obtain all permits necessary for construction or installation of any Facilities, and for excavating and laying any Facilities, within the Streets. Grantee shall pay all applicable fees upon issuance of the requisite construction permits by the **INSERT JURISDICTION** to Grantee.

(B) Construction Schedule and Maps.

(1) Prior to beginning any new construction in the Streets, Grantee shall provide the **INSERT JURISDICTION** Engineer through the permitting process with an initial construction schedule for work in the Streets and the estimated total cost of such work together with its permit application. When construction of Grantee’s Cable System in the Streets is completed, Grantee shall provide the **INSERT JURISDICTION** with maps showing the location of its installed Facilities in the Streets, as built. Such “as-built” maps shall be in a form acceptable to the **INSERT JURISDICTION** Engineer.

(2) One (1) year after the effective date of this Franchise, and annually thereafter in the event of any alterations, Grantee shall provide a map to the **INSERT JURISDICTION** Engineer and the Commission, or its successor, showing the location of Grantee’s Facilities in the Streets on a scale of three thousand five hundred feet (3,500’) per inch or whatever scale the **INSERT JURISDICTION** and Grantee agree upon. Grantee shall also provide such maps in an
electronic format acceptable to the **INSERT JURISDICTION** and the Grantee. The level of detail in maps provided by Grantee shall be limited to that which is needed for the **INSERT JURISDICTION**’s administration of the Streets in order to protect Grantee’s confidential business information and the security of Grantee’s Cable System.

(C) Grantee may make excavations in Streets for any Facility needed for the maintenance or extension of the Grantee’s Cable System. Prior to doing such work, Grantee shall apply for, and obtain, appropriate permits from the **INSERT JURISDICTION**, and give appropriate notices to any other franchisees, licensees or permittees of the **INSERT JURISDICTION**, or bureaus of the **INSERT JURISDICTION**, or other units of government owning or maintaining pipes, wires, conduits or other facilities which may be affected by the proposed excavation.

(D) In the event that emergency repairs are necessary, Grantee shall immediately notify the **INSERT JURISDICTION** of the need for such repairs. Grantee may initiate such emergency repairs, and shall apply for appropriate permits within 48 hours after discovery of the emergency. Grantee shall comply with all applicable **INSERT JURISDICTION** regulations relating to such excavations or construction, including the payment of permit or license fees.

14.2 **Locates.** Grantee shall comply with the requirements of ORS 757.542-757.562 and ORS 757.993 (2005), and the rules and regulations promulgated thereunder in OAR Chapter 952.

14.3 **Relocation.** The **INSERT JURISDICTION** shall have the right to require Grantee to change the location of any of Grantee’s Cable System within the Streets when the public convenience requires such change, and the expense thereof shall be paid by Grantee. Should Grantee fail to remove or relocate any such Facilities by the date established by the **INSERT JURISDICTION**, the **INSERT JURISDICTION** may effect such removal or relocation, and the expense thereof shall be paid by Grantee, including all costs and expenses incurred by the **INSERT JURISDICTION** due to Grantee’s delay. If the **INSERT JURISDICTION** requires Grantee to relocate its Facilities located within the Streets, the **INSERT JURISDICTION** shall make a reasonable effort to provide Grantee with an alternate location within the Streets.

14.4 **Restoration of Streets.**

(A) Whenever Grantee disturbs the surface of any Street for any purpose, Grantee shall promptly restore the Street to at least its prior condition. When any opening is made by Grantee in a hard surface pavement in any Street, Grantee shall promptly refill the opening and restore the surface to a condition satisfactory to the **INSERT JURISDICTION** Engineer.

(B) If Grantee excavates the surface of any Street, Grantee shall be responsible for restoration and maintenance of the Street and its surface within the area affected by the excavation. The **INSERT JURISDICTION** may, after providing notice to Grantee, refill and/or repave any opening made by Grantee in the Street, and the expense thereof shall be paid by Grantee. The **INSERT JURISDICTION** reserves the right, after providing notice to Grantee, to remove and/or repair any work done by Grantee which, in the determination of the **INSERT JURISDICTION** Engineer, is inadequate. The cost thereof, including the cost of inspection and supervision, shall be paid by the Grantee. All excavations made by Grantee in the Streets shall be properly safeguarded for the prevention of accidents. All of Grantee’s work under Section 14.4 shall be done in strict compliance with all rules, regulations and ordinances of the **INSERT JURISDICTION**.

14.5 **Maintenance and Workmanship.**
(A) Grantee’s Cable System shall be constructed and maintained in such manner as not to interfere with sewers, water pipes, or any other property of the INSERT JURISDICTION, or with any other pipes, wires, conduits, structures or other facilities that may have been laid in the Streets by or under the INSERT JURISDICTION’s authority.

(B) Grantee shall provide and use any equipment and appliances necessary to control and carry Grantee’s Signals so as to prevent injury to the INSERT JURISDICTION’s property or property belonging to any Person within the INSERT JURISDICTION. Grantee, at its own expense, shall repair, renew, change and improve its Facilities from time to time as may be necessary to accomplish this purpose.

(C) Grantee shall not construct its Cable System in any manner that requires any Subscriber to install any cable, wire, conduits or other facilities, under or over a Street.

14.6 Acquisition of Facilities. Upon Grantee’s acquisition of Facilities in any INSERT JURISDICTION Street, or upon the addition or annexation to the INSERT JURISDICTION of any area in which Grantee owns or operates any Facility in any Streets, the Grantee shall, at the INSERT JURISDICTION’s request, submit to the INSERT JURISDICTION a statement describing all Facilities involved, whether authorized by franchise, permit, license or other prior right, and specifying the location of all such Facilities to the extent the Grantee has possession of such information. At the INSERT JURISDICTION’s sole option, as expressed by ordinance adopted by the INSERT JURISDICTION, such Facilities shall immediately be subject to the terms of this Franchise within a reasonable period of time to bring the acquired Facilities into compliance with this Franchise.

14.7 Reservation of INSERT JURISDICTION Street Rights. Nothing in this Franchise shall prevent the INSERT JURISDICTION from constructing sewers; grading, paving, repairing and/or altering any Street; laying down, repairing or removing water mains; or constructing or establishing any other public work or improvement. All such work shall be done, insofar as practicable, so as not to obstruct, injure or prevent the use and operation of Grantee’s Cable System. However, if any of the Grantee’s Cable System interferes with the construction or repair of any Street or public improvement, including construction, repair or removal of a sewer or water main, the Grantee’s Cable System shall be removed or replaced in the manner the INSERT JURISDICTION shall direct. Any and all such removal or replacement shall be at the expense of the Grantee. Should Grantee fail to remove, adjust or relocate its Facilities by the date established by the INSERT JURISDICTION Engineer’s written notice to Grantee, the INSERT JURISDICTION may effect such removal, adjustment or relocation, and the expense thereof shall be paid by Grantee, including all costs and expenses incurred by the INSERT JURISDICTION due to Grantee’s delay.

14.8 Access to Grantee’s Vaults. To facilitate safe working conditions, Grantee will control access to Grantee’s vaults. INSERT JURISDICTION or its contractor will notify Grantee, in advance, of access needs and Grantee will provide qualified personnel. Grantee will bill the INSERT JURISDICTION or contractor for the cost of labor incurred for this work, and the INSERT JURISDICTION agrees to pay or have its contractor pay Grantee in accordance with such bills.

14.9 Street Vacation. If any Street or portion thereof used by Grantee is vacated by the INSERT JURISDICTION during the term of this Franchise, unless the Jurisdiction governing body specifically reserves to Grantee the right to continue its installation in the vacated Street, Grantee shall, without delay or expense to the INSERT JURISDICTION, remove its Facilities from such Street, and restore, repair or reconstruct the Street where such removal has occurred, and place the Street in such condition as may be required by the Jurisdiction governing body. In the event of failure, neglect or refusal of Grantee, after thirty days’ notice by the Jurisdiction governing body, to restore, repair or reconstruct such Street, the insert
14.10 Common Users.

(A) For the purposes of this Section:

(1) “Attachment” means any wire, optical fiber or other cable, and any related device, apparatus or auxiliary equipment, for the purpose of voice, video or data transmission.

(2) “Conduit Facility” means any structure, or section thereof, containing one or more ducts, conduits, manholes, handhole or other such facilities in the Grantee's Cable System.

(3) “Duct” means a single enclosed raceway for conductors, optical fiber, wire or other cable.

(4) “Licensee” means any person, firm, corporation, partnership, company, association, joint stock association or cooperatively organized association franchised, licensed or otherwise permitted by INSERT JURISDICTION to use the Streets.

(5) “Surplus ducts or conduits” are Conduit Facilities other than those occupied by the Grantee or any prior Licensee, one unoccupied duct held by Grantee as an emergency use spare, and other unoccupied ducts that the Grantee reasonably expects to use within the next 18 months.

(B) Grantee acknowledges that the Streets have a finite capacity for containing conduits. Therefore, Grantee agrees that, whenever INSERT JURISDICTION determines it is impracticable to permit construction of an underground conduit system by any other Licensee, the INSERT JURISDICTION may require Grantee to afford to such person the right to use Grantee's surplus ducts or conduits in common with the Grantee, pursuant to the terms and conditions of an agreement for use of surplus conduits and ducts being entered into by the Grantee and the Licensee.

(C) If the Grantee and any Licensee fail or cannot otherwise agree to fair and equitable terms, conditions and regulations, including but not limited to a conduit rental rate, within a reasonable period of time, the Grantee and the Licensee shall enter into binding arbitration to determine such terms, conditions and regulations. In such arbitration, the arbitrators shall determine the conduit rental rate at a fair market rate. The binding arbitration shall be as provided in Section 22.3.

(D) A Licensee occupying part of a Duct shall be deemed to occupy the entire Duct.

(E) The Grantee shall give a Licensee a minimum of one hundred and twenty (120) days notice of its need to occupy licensed conduit and shall propose that the Licensee take the first feasible action as follows:

(1) Pay revised conduit rent designed to recover the cost of retrofitting the conduit with multiplexing, optical fibers or other space-saving technology sufficient to meet the Grantee's space needs;

(2) Pay revised conduit rent based on the cost of new conduit constructed to meet the Grantee's space needs;

(3) Vacate ducts that are no longer surplus; or

(4) Construct and maintain sufficient new conduit to meet the Grantee's space needs.

(F) When two (2) or more Licensees occupy a section of Conduit Facility, the last Licensee to occupy the Conduit Facility shall be the first to vacate or construct new conduit. When conduit rent is revised because of retrofitting of space-saving technology or construction of new conduit, all Licensees shall bear the increased cost.

(G) All attachments shall meet local, state, and federal clearance and other safety requirements, be adequately grounded and anchored, and meet the provisions of contracts executed between the Grantee and the Licensee. The Grantee may, at its option, correct any attachment deficiencies and charge the Licensee for its costs. Each Licensee shall pay the Grantee for any fines, fees, damages or other costs the Licensee's attachments cause the Grantee to incur.

14.11 Discontinuing Use of Facilities. Whenever Grantee intends to discontinue using any Facility within the Streets, Grantee shall submit for the INSERT JURISDICTION’s approval a complete description of the Facility and the date on which the Grantee intends to discontinue using the Facility. Grantee may remove the
Facility or request that the INSERT JURISDICTION permit it to remain in place. Notwithstanding the Grantee's request that any such Facility remain in place, the INSERT JURISDICTION may require the Grantee to remove the Facility from the Street or modify the Facility to protect the public health and safety or otherwise serve the public interest. The INSERT JURISDICTION may require the Grantee to perform a combination of modification and removal of the Facility. Grantee shall complete such removal or modification in accordance with a schedule set by the INSERT JURISDICTION. Until such time as Grantee removes or modifies the Facility as directed by the INSERT JURISDICTION, or until the rights to and responsibility for the Facility are accepted by another Person having authority to construct and maintain such Facility, Grantee shall be responsible for all necessary repairs and relocations of the Facility, as well as maintenance of the Street, in the same manner and degree as if the Facility were in active use, and Grantee shall retain all liability for such Facility.

14.12 Hazardous Substances.
(A) Grantee shall comply with all applicable state and federal laws, statutes, regulations and orders concerning Hazardous Substances relating to Grantee's Cable System in the Streets.
(B) Grantee shall maintain and inspect its Cable System located in the Streets. Upon reasonable notice to Grantee, INSERT JURISDICTION may inspect Grantee's Facilities in the Streets to determine if any release of Hazardous Substances has occurred, or may occur, from or related to Grantee's Cable System. In removing or modifying Grantee's Facilities as provided in this Franchise, Grantee shall also remove all residue of Hazardous Substances related thereto.
(C) Grantee agrees to forever indemnify the INSERT JURISDICTION against any claims, costs, and expenses, of any kind, whether direct or indirect, incurred by INSERT JURISDICTION arising out of a release of Hazardous Substances caused by Grantee's Cable System in the Streets.

14.13 Undergrounding of Cable. Grantee is strongly encouraged to locate and construct its present and future cables underground. Grantee shall install its cables or other Facilities underground wherever all existing utilities already are underground, where all utilities are placed underground, or where statute or ordinance requires utilities to be placed underground. Previously installed aerial cable shall be undergrounded in concert, and on a reasonable cost-sharing basis, with other utilities pursuant to the general ordinances of the INSERT JURISDICTION or applicable State law, or in the event that an institutional utility or a public utility decides to underground its facilities on a voluntary basis, unless a Jurisdiction grants an exception.

14.14 Construction Codes. Grantee shall strictly adhere to all building and zoning codes currently or hereafter in effect. Grantee shall arrange its lines, cables, and other appurtenances, on both public and private property, in such a manner as to cause no unreasonable interference with the use of said public or private property by any Person. In the event of such interference, INSERT JURISDICTION may require the removal or relocation of the Grantee's lines, cables, and other appurtenances from the property in question.

14.15 Construction and Use of Poles.
(A) In the event Grantee cannot obtain the necessary poles and allied facilities agreements, and only in such event, then it shall be lawful for the Grantee to make all needed excavations in the Streets for the purpose of placing, erecting, laying, maintaining, repairing, and removing poles, conduits, supports for wires and conductors, and any other Facility needed for the maintenance or extension of Grantee's Cable System. All poles of the Grantee shall be erected between the curb and the sidewalk unless otherwise designated by the proper INSERT JURISDICTION authorities, and each pole shall be set whenever practicable at an extension of a lot line. A INSERT JURISDICTION shall have the right to require the Grantee to change the location of any pole, conduit, structure or other Facility within the Streets when in the opinion of the INSERT
14.15(3) The terms of Section 14.15(A) shall not exempt the Grantee from compliance with all Charters, resolutions and ordinance provisions relating to such excavations or construction or from any provision requiring payment of permit or license fees pertaining thereto.

14.16 Tree Trimming.
(A) Upon obtaining proper permits from the JURISDICTION, Grantee may prune or cause to be pruned, using proper arboricultural practices in accordance with such permit, any tree or vegetation in or overhanging the Streets which interferes with Grantee's Cable System. Tree and vegetation pruning will only be done in accordance with the JURISDICTION’s ordinances, rules and regulations and, if the tree or vegetation is located on private property, with the permission of the property owner.

(B) The JURISDICTION may, at its own discretion, waive the notification and permit process in the case of single trees, if Grantee adequately demonstrates the ability to consistently apply proper arboricultural practices to the pruning of trees. Before any tree trimming permit may be issued, any contractor to be used by Grantee shall be subject to the approval of the JURISDICTION. The JURISDICTION shall have the discretion to cancel the permit if, at any time, the Grantee or its agents fails to use proper arboricultural practices.

Section 15. TRANSFER OF GRANTEE’S CABLE SYSTEM

15.1 Prior Consent of JURISDICTION for Transfers.
(A) Transfer Defined. For purposes of Section 17, “Transfer” shall mean any form of sale, conveyance, mortgage, assignment, merger, pledge, encumbrance, deed or grant, in whole or in part, and whether voluntary or involuntary.

(B) JURISDICTION Approval of Transfers.
(1) Neither this Franchise nor any Substantial Portion of the Cable System owned and operated by Grantee by authority of this Franchise shall be Transferred without the prior consent of the JURISDICTION as expressed by ordinance or resolution. The JURISDICTION’s granting of consent in one instance shall not render unnecessary any subsequent consent in any other instance. Within ten (10) days after execution and delivery of any instrument so consented to by the JURISDICTION, Grantee shall file with the JURISDICTION an executed counterpart or certified copy thereof. For purposes of this Section, “Substantial Portion” means any Facilities the transfer of which would substantially affect Grantee's operations or which would substantially affect any of Grantee's obligations under this Franchise.

(2) In determining whether the JURISDICTION will consent to any Transfer, the JURISDICTION may inquire into the technical, legal, and financial qualifications of the prospective transferee, and may require that the prospective transferee respond timely in writing to the Jurisdictions' request for information. Such requests for information by the JURISDICTION may, without limitation, be addressed to the prospective transferee's ownership structure, experience, management qualifications, legal qualifications, character qualifications, financial capability and Cable System financing plan, financial pro formas, operating history, technical capabilities, and technical plans for the Cable System. Grantee shall assist the JURISDICTION in any such inquiry, including facilitating the prospective transferee's responses to the JURISDICTION’ information requests.

(3) JURISDICTION may condition any Transfer upon such conditions as are considered appropriate. Such reasonable conditions may include, but are not limited to, a requirement that the prospective transferee reimburse the JURISDICTION's reasonable direct costs in processing the Transfer request, requiring that the transferee assume responsibility for any non-compliance by Grantee, and requiring that a guaranty be furnished by the proposed transferee's parent corporations. No Transfer for which JURISDICTION's consent by ordinance or resolution is required may occur until the successor, assignee or lessee has complied.
or agreed to comply with all of the requirements of this Franchise, including, but not limited to, providing certificates of insurance, unless the INSERT JURISDICTION waives such compliance by ordinance or resolution.

(4) Nothing contained in Section 15.1 shall be deemed to prohibit the mortgage, pledge or assignment of tangible assets of Grantee's Cable System, including but not limited to accounts receivable, inventory or monetary assets, for the purpose of financing the acquisition of equipment or for the acquisition, construction and operation of the Cable System of Grantee or any Affiliated Entity, without the INSERT JURISDICTION’s consent, but any such mortgage, pledge or assignment shall be subject to the INSERT JURISDICTION’s other rights contained in this Franchise. Grantee may also sell tangible assets of the Cable System in the ordinary conduct of its business without the consent of the INSERT JURISDICTION.

(C) INSERT JURISDICTION Approval of Leases. Grantee shall not lease or sublease this Franchise or any of the rights or privileges granted or authorized by this Franchise without the INSERT JURISDICTION’s consent as expressed by resolution or ordinance. However, Grantee may enter into leases or subleases not affecting the Franchise, or rights or privileges thereunder, in the ordinary conduct of its business, and may enter such leases or subleases with other INSERT JURISDICTION’s franchisees, without the INSERT JURISDICTION’s consent, so long as Grantee remains solely responsible for locating, servicing, repairing, relocating or removing its Cable System.

15.2 Change in Control.

(A) Grantee shall promptly notify the INSERT JURISDICTION of any proposed Transfer or acquisition by any other party resulting in a change of control of the Grantee or the Parent Corporations. Such change in control shall make this Franchise subject to revocation unless and until the INSERT JURISDICTION shall have consented thereto by ordinance or resolution.

(B) If required by federal law, INSERT JURISDICTION shall make a final decision upon a proposed change in control within one hundred and twenty (120) days of receiving a written request for approval of a change in control containing or accompanied by such information as is required by federal law and this Franchise. If INSERT JURISDICTION fails to render a final decision on the request within one hundred and twenty (120) days, then the proposed change shall be deemed to be consented to by the INSERT JURISDICTION. At any time during the one hundred and twenty (120) day period, the INSERT JURISDICTION may request in writing that the Grantee provide or cause to provide any information reasonably necessary to rendering a final decision on the request. The INSERT JURISDICTION and the Grantee may, at any time, agree to extend the one hundred and twenty (120) day period.

15.3 Bankruptcy or Dissolution. Grantee shall immediately report to the INSERT JURISDICTION, as soon as it becomes known, the initiation of bankruptcy proceedings, or corporate or partnership dissolution.

15.4 Consent. No consent by the INSERT JURISDICTION, which is required under this Section, shall be unreasonably denied or delayed.

Section 16. OTHER RIGHTS RESERVED TO THE INSERT JURISDICTION

16.1 Purchase of Grantee's Cable System after Forfeiture or Expiration.

(A) Subject to the provisions of federal law, if INSERT JURISDICTION has declared a forfeiture of this Franchise by resolution or ordinance, as provided in Section 21 or if the initial term of this Franchise has expired without the franchise being renewed or extended, and all applicable renewal procedures under federal law have been complied with, and if the INSERT JURISDICTION has so ordered by ordinance or resolution, the Grantee shall continue its operations for a period of two hundred and seventy (270) days after either the effective date of the ordinance or resolution or expiration of the initial term unless the ordinance or resolution in either case orders termination by the Grantee of its operations at an earlier time. During this period, the Grantee shall not Transfer any portion of its Cable System in the Streets to any other Person, including parts
of the Cable System rented, leased or leased-purchased from others by the Grantee, without the prior consent of the [INSERT JURISDICTION] expressed by ordinance or resolution.

(B) Within thirty (30) days of the effective date of the forfeiture ordinance or resolution or following the expiration of the term of this Franchise, if [INSERT JURISDICTION] has not otherwise renewed or extended the Franchise, and all renewal procedures under federal law have been complied with, the Grantee shall submit a report (hereafter referred to as the “System Report”) to the [INSERT JURISDICTION] setting out Grantee's assessment of the Fair Value of Grantee's Cable System and the methodology, assumptions and limiting conditions underlying the Grantee's appraisal. In addition, Grantee shall provide such further relevant information regarding its technical and customer operations, contractual or other legal obligations, and financial history and current condition as the [INSERT JURISDICTION] may reasonably request.

(C) (1) At any time within sixty (60) days after receiving the System Report, the [INSERT JURISDICTION] may notify the Grantee that it desires to acquire by purchase all or a portion of Grantee's Cable System for its Fair Value. The notice shall be by passage of an ordinance or resolution stating the Jurisdiction's desire and shall state a date not less than one hundred and eighty (180) days from its date upon which the Grantee shall cease its operations and receive payment from the [INSERT JURISDICTION].

(2) For purposes of Section 16, the valuation of Grantee's Cable System shall be determined by mutual agreement between the [INSERT JURISDICTION] and the Grantee. If the Jurisdiction and Grantee are unable to agree upon the Fair Value within one hundred and twenty (120) days after the Jurisdiction gives notice of intent to purchase under Section 16, then the [INSERT JURISDICTION] and Grantee may agree that such valuation be determined by arbitration, as provided for in Section 22.3.

(D) For purposes of Section 16, subject to applicable law, “Fair Value” shall mean:

(1) In the case of the expiration of the Franchise without renewal, the fair market value, determined on the basis of Grantee's Cable System, or the portion being acquired, as a going concern, but with no value allocated to the Franchise itself. This would be a value for which a willing buyer would purchase the Cable System as an ongoing business, recognizing that the existing Franchise has expired. The fair market value would be reduced by the amount of any lien, encumbrance, or other obligation of the Grantee which the [INSERT JURISDICTION] may assume.

(2) In the case of a forfeiture of the Franchise, the equitable price of Grantee's Cable System, or the portion being acquired, reduced by the amount of any liens, encumbrances or other obligations of the Grantee which [INSERT JURISDICTION] may assume, but shall not include any sum for the value of the unexpired portion of this Franchise. In determining the equitable price, matters such as the harm to the community resulting from the Grantee's violation of the Franchise may be considered.

(E) (1) In the event of [INSERT JURISDICTION]'s acquisition of all or portions of Grantee's Cable System, as provided in Section 16, Grantee and its Affiliated Entities shall use all best efforts to obtain consent to assignment, to the extent any existing and future rental, lease, and lease-purchase arrangements for Grantee's Cable System or any Facilities require any consent to assignment by third parties.

(2) In the event of [INSERT JURISDICTION]'s acquisition of all or portions of Grantee's Cable System, as provided in Section 16, Grantee or its Affiliated Entities shall not unreasonably withhold any consent to assignment of any rental, lease, and lease-purchase arrangements for Grantee's Cable System or any Facilities.

16.2 Changes in Law or Unenforceability of Franchise Provisions.

(A) The [INSERT JURISDICTION] and Grantee have entered into this Franchise under the federal and state laws in effect on the effective date of this Franchise. The [INSERT JURISDICTION] and the Grantee reserve the right to request modifications to this Franchise, under Section 16.2(B), to account for changes in the law during the term of this Franchise. The [INSERT JURISDICTION] and the Grantee also reserve the right to request modifications in this Franchise, under Section 16.2(B), if any provision of this Franchise becomes, or is declared, invalid or unenforceable.

(B) Upon written notice from either party, the [INSERT JURISDICTION] and the Grantee may voluntarily agree, under Section 16.2(A), to participate in a non-binding mediation proceeding under Section 22.2 to mediate, in good faith, modifications to the terms and conditions of this Franchise. The written request shall
specifically identify the particular reasons under Section 16.2(A) for the modification sought by the requesting party. In the mediation proceeding, the **INSERT JURISDICTION** and the Grantee shall attempt, in good faith, to agree to modifications to the Franchise so that the net rights and obligations of the **INSERT JURISDICTION** and the Grantee remain substantially the same after the modification, as they were prior to the events and circumstances leading to the mediation proceeding. If the **INSERT JURISDICTION** and Grantee are unable to successfully conclude the mediation within ninety (90) days from the date of the written notice requesting the mediation proceeding, the parties may agree to submit the matter to arbitration as set forth in Section 22.3.

16.3 Right of Intervention. The **INSERT JURISDICTION** shall have the right to intervene in any suit or proceeding to which the Grantee is a party, in the event the **INSERT JURISDICTION**'s rights under this Franchise may be affected thereby.

**Section 17. ****INSERT JURISDICTION** REGULATORY AUTHORITY

17.1 **INSERT JURISDICTION** Regulatory Rights.
   (A) The **INSERT JURISDICTION** shall be vested with the power and right to reasonably regulate the exercise of the privileges permitted by this Franchise in the public interest.
   (B) Grantee shall not be relieved of its obligations to comply, promptly and completely, with any provision of this Franchise by any failure of the **INSERT JURISDICTION** to promptly enforce compliance with this Franchise.

17.2 **INSERT JURISDICTION** Regulatory Actions. Grantee shall comply with any and all lawful actions of the **INSERT JURISDICTION** affecting Grantee's operations under this Franchise, including, without limitation, all applicable ordinances, orders, contracts, and regulatory actions taken pursuant thereto, in all respects and without exception, so long as such actions do not materially affect the rights of Grantee hereunder. In the event of any direct conflict between **INSERT JURISDICTION** orders and regulatory actions, and the terms of this Franchise, this Franchise shall prevail.

17.3 Regulation of Rates and Charges. All Grantee rates and charges related to or regarding Cable Services shall be subject to regulation by the **INSERT JURISDICTION** to the full extent authorized by a **INSERT JURISDICTION**’s Charter and by applicable federal, state and local laws and **INSERT JURISDICTION** ordinances and resolutions.

17.4 Rate Discrimination. All Grantee rates and charges shall be published and non-discriminatory as to all Persons and organizations of similar classes, under similar circumstances and conditions. Grantee shall establish similar rates and charges for all Subscribers receiving similar services, regardless of race, color, religion, age, sex, marital or economic status, national origin, sexual orientation, physical or mental disability, income of the residents, or geographic location within the Grantee's Franchise Area except as may result from Federal rate regulation. Nothing in Section 17.4 shall be construed to prohibit:
   (A) The temporary reduction or waiving of rates and charges in conjunction with promotional campaigns;
   (B) Grantee from offering reasonable discounts to senior citizens or discounts to economically disadvantaged citizens; or
   (C) Grantee establishing different and nondiscriminatory rates and charges and classes of services for commercial subscribers, as well as different, nondiscriminatory monthly rates for classes of commercial subscribers.

17.5 Filing of Rates and Charges.
(A) Throughout the term of this Franchise, Grantee shall maintain on file with the INSERT JURISDICTION a complete schedule of applicable rates and charges for Cable Services provided under this Franchise, in a form satisfactory to the INSERT JURISDICTION. Nothing in this Section 17.5(A) shall be construed to require the Grantee to file rates and charges under temporary reductions or waivers of rates and charges in conjunction with promotional campaigns. As used in this Section, no rate or charge shall be considered temporary if Subscribers have the ability over a period greater than six consecutive months to purchase Cable Services at such rate or charge.

(B) Grantee shall maintain on file with the INSERT JURISDICTION a complete schedule setting forth the maximum rates and charges for any and all Leased Access Channels. The schedule shall be in a form satisfactory to the INSERT JURISDICTION.

17.6 Changes in Rates and Charges.

(A) Unless otherwise provided by law, Grantee shall provide written notice to the INSERT JURISDICTION and Subscribers at least thirty (30) days in advance of any increase in rates and charges. Notice to the Jurisdictions of proposed increases in rates and charges shall be filed in a form satisfactory to the Jurisdictions.

(B) Unless the INSERT JURISDICTION has lawfully required prior review of Grantee's rate increase in accordance with the requirements and conditions of applicable law, Grantee's rate increase shall become effective on the date identified in the form filed by the Grantee, provided that the effective date shall not be earlier than the 31st day after such filing.

17.7 Regulation of Equipment for Hearing Impaired. To the extent authorized by law, the INSERT JURISDICTION reserve the right to require and regulate the installation or rental of equipment which facilitates the reception of Basic Service Tier by hearing impaired individuals.

17.8 Downgrade and Disconnect Charges.

(A) Downgrade Charges.

(1) Unless otherwise provided by law, Grantee shall not impose any Downgrade Charges, except as otherwise provided herein. As used in this Section, “Downgrade Charge” means any charge, rate or financial liability imposed upon a Subscriber for implementing a request for a change or reduction of Cable Services to less expensive Cable Services or tiers.

(2) Unless otherwise provided by law, Grantee may impose Downgrade Charges only if:

(a) the Subscriber has been notified, at the time of initiating Cable Services, and periodically thereafter, of Grantee's Downgrade Charges;

(b) the Downgrade Charge does not exceed the Grantee's actual Incremental, direct costs of performing the downgrade; and (c) the downgrade is from a level of service which the Subscriber has not maintained continuously for six (6) months immediately preceding the date of the downgrade request.

(B) Disconnection Charges. Unless otherwise provided by law, Grantee shall not impose any charges for the disconnection of Cable Services, nor may the Grantee impose any rate, charge or other financial liability upon any Subscriber for Cable Services delivered after the date of a voluntary disconnection request.

Section 18. RECORDS AND REPORTS

18.1 Open Records. Grantee shall manage all of its operations in accordance with a policy of keeping its Records open and accessible to the INSERT JURISDICTION. The INSERT JURISDICTION shall have the right to inspect all Records of the Grantee and Affiliated Entities at any time during normal business hours and upon reasonable notice to determine compliance by Grantee with its obligations under this Franchise. Grantee shall not deny the INSERT JURISDICTION access to Grantee's Records on the basis that Grantee's Records are under the control of an Affiliated Entity or a third party, rather than the Grantee. In the case of Affiliated
Entities not under common control with Grantee, Grantee shall not be subject to the remedies set forth in Section 21.1(A) if such Affiliated Entity does not permit inspection of its Records, and Grantee has;
(A) made available for inspection all of its Records relevant to the determination of compliance; and
(B) exercised all reasonable efforts to persuade such Affiliated Entity to make such Records available for inspection.

18.2 Annual Reports. Grantee shall Annually present a written report to the INSERT JURISDICTION (the “Annual Report”) setting out such information as the Jurisdictions deem necessary to determine compliance by Grantee with its obligations under this Franchise. Grantee shall submit the Annual Report no later than May 1 of each Year, following the end of the Grantee's calendar fiscal year. Except as otherwise provided by the INSERT JURISDICTION, the Annual Report shall include, at a minimum, information as may be required concerning the Grantee's operations within the Franchise Area for the immediately previous Year in a form prescribed by the INSERT JURISDICTION.

18.3 General Reports. Grantee shall prepare and furnish to the INSERT JURISDICTION, at times and in the form prescribed by the INSERT JURISDICTION, such other reports with respect to its operation, affairs, transactions or property as the INSERT JURISDICTION may deem reasonably necessary or appropriate to the performance of the Jurisdictions' rights, functions or duties under this Franchise.

18.4 Format. The INSERT JURISDICTION, after consultation with Grantee, may specify the form and details of all Grantee's reports required under this Franchise.

18.5 Reports of Regulatory Violations. Grantee shall provide copies to the INSERT JURISDICTION of any communications to and from any regulatory agency having jurisdiction over Grantee pertaining to any alleged, apparent or acknowledged violation by Grantee of any applicable rule or law of the agency regarding the Grantee's provision of Cable Services under this Franchise.

18.6 Public Records.
(A) Grantee acknowledges that information submitted to the INSERT JURISDICTION is subject to the Oregon Public Records Law, and is open to public inspection. Grantee is responsible for becoming familiar with and understanding the provisions of the Oregon Public Records Law.
(B) Grantee may identify information, such as trade secrets, submitted to the INSERT JURISDICTION as confidential. Grantee shall prominently mark each page for which it claims confidentiality as “Confidential” prior to submitting such information to the INSERT JURISDICTION. The INSERT JURISDICTION shall treat any information so marked as confidential, until the INSERT JURISDICTION receive any request for disclosure of such information. Within five (5) working days of receiving any such request, the INSERT JURISDICTION shall provide the Grantee with written notice of the request, including a copy of the request. Grantee shall have five (5) working days within which to provide a written response to the INSERT JURISDICTION, before the INSERT JURISDICTION may disclose any of the requested confidential information. If the INSERT JURISDICTION determines that it will be necessary to reveal the information, the INSERT JURISDICTION shall promptly notify the Grantee, and do so at least five (5) working days prior to the information being released.

Section 19. EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION/MINORITY BUSINESS ENTERPRISES

(A) Throughout the term of this Franchise, Grantee shall fully comply with the equal employment opportunity requirements of federal, state, and local law, and in particular, FCC rules and regulations relating thereto. Upon request by the INSERT JURISDICTION Grantee shall furnish the INSERT JURISDICTION a copy of the Grantee's Annual statistical report filed with the FCC, along with proof of Grantee's Annual certification of compliance. Grantee shall immediately notify the INSERT JURISDICTION in the event Grantee is at any time determined not to be in compliance with FCC rules or regulations.

(B) Throughout the term of this Franchise, the Grantee shall maintain a policy that all employment decisions, practices, and procedures are based on merit and ability without discrimination on the basis of an individual's race, color, religion, age, sex, national origin, sexual orientation or physical or mental disability. Grantee's policy shall apply to all employment actions including advertising, recruiting, hiring, promotion, transfer, remuneration, selection for training, company benefits, disciplinary action, lay-off, and termination.

19.2 Affirmative Action. Grantee shall carry out its equal employment opportunity policy by making a determined and good-faith effort at affirmative action to employ and advance in employment women, minorities, and the physically and mentally disabled.

19.3 Minority and Female Business Enterprises. Grantee shall make determined and good faith efforts to use minority and female business enterprises in its contracted expenditures, including, without limitation, contracts for the acquisition of goods, services, materials, supplies, and equipment used in the construction, maintenance, and operation of its Cable System.

Section 20. RIGHTS OF INDIVIDUALS

20.1 Discriminatory Practices. Grantee shall not deny Cable Service, or otherwise discriminate against Subscribers, Programmers or any other Persons on the basis of race, color, religion, age, sex, national origin, sexual orientation or physical or mental disability. Grantee shall comply at all times with all other applicable federal, state or local laws, rules and regulations relating to non-discrimination.

20.2 Unauthorized Monitoring or Cable Tapping.

(A) Neither the Grantee, nor any of its agents, employees, officials or permittees, or any other Person, agency or entity, shall Tap any cable, line, Signal input device or subscriber outlet or receiver for any purpose, except as provided herein, and as is necessary for billing purposes.

(B) Grantee may Tap a cable, line, Signal input device or Subscriber outlet or receiver to 1) determine the number of viewers watching a program where the identities of the viewers are not determined; 2) perform Cable System maintenance and verify technical performance; and 3) identify theft of services, without the Subscriber's written consent.

20.3 Privacy.

The INSERT JURISDICTION and Grantee shall maintain constant vigilance with regard to possible abuses of the right of privacy or other human rights of any Subscriber, Programmer or any other Person resulting from any device or Signal associated with the Cable System. Grantee shall not use the two-way communications capability of the Cable System for unauthorized or illegal Subscriber surveillance of any kind.

20.4 Permission of Property Owner or Tenant. Grantee shall not install or attach any of its Facilities to any residence or other property without first securing the permission of the owner or tenant of any property involved, except where there is an existing utility easement reserved by plat or other conveyance or unless such installation or attachment is otherwise authorized by law. Nothing herein, however, shall excuse the Grantee from obtaining permission from anyone who has the right to approve or disapprove the attachment. If such permission or easement is later revoked, unless Grantee is otherwise entitled to maintain its Facilities, whether by the original or a subsequent owner or tenant, the Grantee, on the owner's request, shall promptly
remove any of its Facilities and promptly restore the property to its original condition. Grantee shall perform all such installations and removals in a workmanlike manner and shall be responsible for any damage to residences or other property caused by the installation or the removal.

20.5 Sale of Subscriber Lists and Personalized Data.
   (A) Grantee shall not sell, or otherwise make available, lists of the names and addresses of its Subscribers, or any list which identifies the viewing habits by the name of any Subscriber, or any Personalized Data pertaining to a Subscriber's use of any of Grantee's Cable Services by the name of any Subscriber, without the written, expressed consent of the Subscriber to which the Personalized Data pertains, except as otherwise permitted by federal law. For purposes of Section 20.5, “Personalized Data” means the name and address or other information regarding an individual Subscriber, which is associated with or extracted from data obtained from the Subscriber's use of Grantee's Cable Services.

   (B) Grantee shall be subject to the provisions of federal law regarding limitations on Grantee's collection and use of Personalized Data, and other issues involving the protection of Subscriber privacy.

Section 21. FRANCHISE VIOLATIONS AND REMEDIES, EXPIRATION AND RENEWAL

21.1 Remedies for Franchise Violations.
   (A) Remedies. In addition to any rights set out elsewhere in this Franchise, or such other rights as it may possess, the INSERT JURISDICTION reserves the right at its discretion to apply any of the following remedies, alone or in combination, in the event Grantee violates any material provision of this Franchise. In determining which remedy or remedies are appropriate, the INSERT JURISDICTION shall consider the nature of the violation, the Persons burdened by the violation, the nature of the remedy required in order to prevent further violations, and any other matters the INSERT JURISDICTION deems appropriate.

   (1) Impose reasonable penalties, up to one thousand dollars ($1,000) per day, incident or other measure of violation;
   (2) To the extent authorized by law, require Grantee to reduce its rates and charges by such amount or amounts as is reasonable in light of the violation;
   (3) To the extent authorized by law, require Grantee to make payments or grant refunds to its Subscribers or Subscriber Classes in such amounts, and on such bases as are reasonable relative to damages sustained by Subscribers, for violations relating to Subscriber service. At Grantee's option, such payments or refunds may be made in the form of a credit against Subscriber service bills. For purposes of this Subsection, “Subscriber Class” means any group of actual or potential Subscribers identified by the Grantee on the basis of specified characteristics for the purpose of providing, marketing or establishing any combination or package of Cable Services, rates or charges, or for the purpose of providing or directing customer services or marketing in any form;
   (4) To the extent authorized by law, require Grantee to correct or cure the violation prior to any rate increase becoming effective, or otherwise delay consideration of any rate request until the violation is corrected or cured;
   (5) Reduce the duration of the term of this Franchise on such basis as is reasonable provided that in no event shall the amount of the term remaining after the reduction be less than three (3) years; or
   (6) Revoke this Franchise.

   (B) In determining which of the foregoing remedies is appropriate, and in the exercise of specific remedies, the INSERT JURISDICTION shall consider, among other things, (1) the nature and extent of the violation, (2) whether Grantee has had a history of similar violations, (3) the remedy that can be expected to deter such violations in the future, and (4) the damage suffered by the public and the cost of remedying the violation.

   (C) INSERT JURISDICTION also has the right to shorten the term of this Franchise or revoke this Franchise upon the occurrence of any of the following acts or events:
(1) Grantee is found by a court of competent jurisdiction to have practiced any fraud or deceit upon the INSERT JURISDICTION; or
(2) Grantee becomes insolvent or is adjudged to be bankrupt, or otherwise initiates corporate or partnership dissolution; or
(3) Grantee fails to obtain and maintain any permit required by any federal or state regulatory body in order to own and operate the Cable System.

(D) Receivership. In addition to its other rights and remedies as set forth in this Franchise, the INSERT JURISDICTION shall have the right to revoke this Franchise one hundred and twenty (120) days after the appointment of a receiver or trustee to take over and conduct the Grantee's business, whether in receivership, reorganization, bankruptcy or other similar action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred and twenty (120) days, or unless:
(1) Within one hundred and twenty (120) days after such appointment, the receiver or trustee shall have fully complied with all provisions of this Franchise and remedied any and all violations or defaults, as approved by the INSERT JURISDICTION; and
(2) Within said one hundred and twenty (120) days, such receiver or trustee shall have executed an agreement with the INSERT JURISDICTION, duly approved by the INSERT JURISDICTION and the court having competent jurisdiction, in which such receiver or trustee assumes and agrees to be bound by each and every provision of this Franchise.

(E) In the event that the INSERT JURISDICTION make a preliminary determination that the Grantee has violated this Franchise, the INSERT JURISDICTION shall commence a contested case proceeding under the rules adopted by the INSERT JURISDICTION. The INSERT JURISDICTION’s final determination, following a contested case proceeding, may be appealed to INSERT JURISDICTION’s governing body. The INSERT JURISDICTION’s governing body shall consider the appeal based on the record established in the contested case proceeding, under rules established by the INSERT JURISDICTION.

21.2 Notice and Opportunity to Cure.
(A) The INSERT JURISDICTION shall give Grantee thirty (30) days prior written notice of its intent to exercise any of their rights under Section 21.1, identifying the reasons for such action.
(B) If Grantee removes or otherwise cures the asserted violation constituting the stated reason within the thirty (30) day notice period, or if cure is not reasonably possible within the thirty (30) day period and the Grantee initiates good faith efforts satisfactory to the INSERT JURISDICTION within the thirty (30) day period to cure the asserted violation constituting the stated reason and the efforts continue in good faith, the INSERT JURISDICTION shall not exercise its rights under Section 21.1.
(C) If Grantee fails to remove or otherwise cure the asserted violation constituting the stated reason within the thirty (30) day notice period, or if the Grantee does not undertake and continue efforts satisfactory to the INSERT JURISDICTION to remedy the stated reason, then the INSERT JURISDICTION may exercise any or all of the remedies available under Section 21.1 or such other rights as the INSERT JURISDICTION may possess.

21.3 Minor Variances. The INSERT JURISDICTION may, upon request of the Grantee or its own motion, permit the Grantee to vary its manner of performance under this Franchise so long as the variance does not result in a substantial change in the terms of this Franchise or a substantial reduction in the services to be provided.

21.4 Expiration.
(A) Upon the expiration of this Franchise, subject to any restrictions imposed by 47 U.S.C. § 546 (Section 626 of the Cable Communications Policy Act of 1984) and other applicable federal, state or local laws, the INSERT JURISDICTION shall have the right, at its election, to:
(1) Renew or extend Grantee's Franchise;
(2) Invite additional proposals and award this Franchise to another Person;
(3) Terminate the Franchise without further action;
(4) Exercise its rights under Section 16; or
(5) Take such further action as the Jurisdiction deems appropriate.

(B) Until such time as the **INSERT JURISDICTION** exercises its rights under Section 21.4, the Grantee's rights and responsibilities within the **INSERT JURISDICTION** shall be controlled by the terms of this Franchise.

21.5 Removal of Plant and Equipment. If **INSERT JURISDICTION** has by ordinance or resolution declared a forfeiture of this Franchise as provided in Section 21.1, or if this Franchise has expired without being renewed or extended, or in the event of the **INSERT JURISDICTION**'s purchase, lease-purchase, condemnation, acquisition, taking over or holding of plant and equipment, all of Grantee's rights under this Franchise shall immediately cease and be divested. Thereafter, except as provided in Section 21.5 and Section 16, or as otherwise provided by ordinance or resolution, the Grantee shall remove its Facilities from the Streets and restore the Streets to such condition as the **INSERT JURISDICTION** may require. In the event of a failure by the Grantee to properly perform such work, then the **INSERT JURISDICTION** may perform the work and collect the cost thereof from the Grantee. The cost thereof shall be a lien upon the system of the Grantee and a set-off against any sums owed Grantee by the **INSERT JURISDICTION**.

Section 22. MISCELLANEOUS PROVISIONS

22.1 Compliance with Laws.
   (A) Grantee shall comply with all applicable federal and state laws.
   (B) Nothing in this Franchise is intended to authorize the Grantee to engage in any activity constituting a violation of federal or state antitrust laws, including, but not limited to, the Sherman Act, the Clayton Act, the Robinson-Patman Act or any related amendments or regulatory provisions.

22.2 Mediation. The **INSERT JURISDICTION** and Grantee agree that should any dispute arise between the parties concerning any aspect of this Franchise which is not resolved by mutual agreement of the parties, and unless either party believes in good faith that injunctive relief is warranted, the dispute shall be submitted to mediated negotiation prior to any party commencing litigation. In such event, the **INSERT JURISDICTION** and Grantee agree to participate in good faith in a non-binding mediation process. The mediator shall be selected by mutual agreement of the parties. In the absence of such mutual agreement, each party shall select a temporary mediator, and those mediators shall jointly select a permanent mediator. In the mediation proceeding, the **INSERT JURISDICTION** and the Grantee shall attempt, in good faith, to agree to modifications to the Franchise so that the net rights and obligations of the **INSERT JURISDICTION** and the Grantee remain substantially the same after the modification, as they were prior to the events and circumstances leading to the mediation proceeding. If the **INSERT JURISDICTION** and Grantee are unable to successfully conclude the mediation within forty-five (45) days from the date of the selection of the mediator, either party may terminate further mediation by sending written notice. After written notice has been received by the other party, either party may request arbitration, as set forth in Section 22.3, or may pursue whatever legal remedies exist. All costs associated with mediation shall be borne, equally and separately, by the parties.

22.3 Arbitration.
   (A) Any dispute between the parties hereto, including but not limited to disputes or controversies arising from or related to interpretation of this Franchise, may be arbitrated provided that the parties consent in writing to the arbitration. Such arbitration will be final and binding, and the parties shall have no right to appeal from the arbitrator's decision.
   (B) **INSERT JURISDICTION** may initiate arbitration by resolution, while Grantee may choose to initiate arbitration by sending written notice to the **INSERT JURISDICTION**.
(C) After arbitration has been initiated, the **INSERT JURISDICTION** and Grantee may agree that one arbitrator may conduct the arbitration. If the parties are unable to agree upon the identity of the arbitrator within twenty (20) days after the arbitration has been initiated, the arbitrator shall be selected by the presiding civil judge of the Multnomah County Circuit Court.

(D) If either the **INSERT JURISDICTION** or Grantee does not consent to having one arbitrator conduct the arbitration, the arbitration shall be conducted by three arbitrators, who shall be selected as follows:

1. If the **INSERT JURISDICTION** initiates arbitration, the **INSERT JURISDICTION** shall select one arbitrator and Grantee by written notice shall select one arbitrator within fifteen (15) days after passage of the resolution. If Grantee initiates arbitration, it shall identify its selected arbitrator in its written notice, and the Jurisdiction shall select one arbitrator, within fifteen (15) days after receiving the notice.

2. The two selected arbitrators shall select a third arbitrator within fifteen (15) days after the appointment of the second arbitrator. If the two (2) arbitrators are unable to agree upon a third arbitrator within the time limit, the third arbitrator shall be appointed by the presiding civil judge of the Multnomah County Circuit Court.

(E) After selection of the arbitrator(s), the arbitrator(s) shall take an oath to serve neutrally and impartially. The arbitrator(s) shall then schedule a date, time and place for the arbitration hearing. The hearing shall occur not less than one hundred and twenty (120) days after the appointment of the arbitrator (or the third arbitrator, if three (3) arbitrators are used), unless extended by mutual agreement of the **INSERT JURISDICTION** and Grantee. The arbitrator(s) shall make a written report to the **INSERT JURISDICTION** and Grantee on the final determination within sixty (60) days after completion of the hearing. If the arbitration is conducted by three (3) arbitrators, the determination of a majority of the arbitrators shall constitute a final, binding arbitration determination.

(F) The arbitrators shall have such powers as are set forth in ORS 36.335.

(G) The **INSERT JURISDICTION** and Grantee shall share equally the fees and costs of the arbitrator(s).

22.4 Continuity of Service. It shall be the right of all Subscribers to receive all available services insofar as their financial and other obligations to the Grantee are honored. In the event that the Grantee elects to Upgrade, modify or sell its Cable System, the Grantee shall make a good faith effort to ensure that all Subscribers receive continuous, uninterrupted service regardless of the circumstances during the term of this Franchise. In the event of purchase, lease-purchase, condemnation, acquisition, taking over or holding of plant and equipment by the **INSERT JURISDICTION** under Section 16, including subsequent assignment, sale, lease or other transfer to any other Person, the Grantee shall operate the Cable System for such reasonable periods as are necessary to maintain continuity of Cable Service to all Subscribers.

22.5 Severability. If any Section, provision or clause of this Franchise is held by a court of competent jurisdiction to be invalid or unenforceable, or is preempted by federal or state laws or regulations, the remainder of this Franchise shall not be affected, except as is otherwise provided in Section 16.2.

22.6 No Recourse against **INSERT JURISDICTION**. To the extent provided by law, Grantee's recourse against the **INSERT JURISDICTION** or their officials, boards, agents or employees for any claim arising from any provision or requirement of this Franchise shall be limited to injunctive relief and declaratory relief.

22.7 Nonenforcement by the **INSERT JURISDICTION**. Grantee shall not be relieved of its obligations to comply with any of the provisions of this Franchise by reason of any failure of the **INSERT JURISDICTION** to enforce prompt compliance, nor does the **INSERT JURISDICTION** waive or limit any of its rights under this Franchise by reason of such failure or neglect.

22.8 Action by Agencies or Courts. Grantee shall promptly notify the **INSERT JURISDICTION** in the event that any agency of the federal government or the State of Oregon or any court with competent jurisdiction requires the Grantee to act inconsistently with any provisions of this Franchise. Upon receipt of such notification, the **INSERT JURISDICTION** or the Grantee may determine if a material provision of this
