

This is an amendment to the Grant Agreement between the Mt. Hood Cable Regulatory Commission (MHCRC), through the Office for Community Technology (OCT), and MetroEast Community Media, an Oregon nonprofit public benefit corporation (Grantee) (together referred to as the “Parties”).

**RECITALS**

1. The MHCRC approved the Grant Agreement in June 2012 for a term expiring June 30, 2017.
2. Due to MHCRC staff changeover and other factors impacting staff work load, additional time has become necessary to complete a grant agreement renewal process with Grantee.
3. The purpose of this amendment is to extend the term of the Grant Agreement through June 30, 2018.

**AGREEMENT**

1. Section VII of the Grant Agreement is amended to extend the term of the Grant Agreement as follows: “The term of this Agreement is from July 1, 2012, through June 30, 2018.”
2. All other terms and conditions of the Grant Agreement shall remain the same.
