RE: Important Information—Price Changes

Dear Ms. Goldenberg--

We are committed to delivering the entertainment and services our customers in the MHCRC service area rely on today, and the new experiences they will love down the road. As we continue to make improvements to our products and services, and as programmers charge more to carry their networks, our cost of doing business increases.

Please note that effective October 1, 2017, certain fees and charges will increase for all video subscribers. The new fees and charges are set forth in the enclosed insert, which will be sent to subscribers at least thirty days before their rate change.

We know you may have questions about these changes. If I can be of further assistance, please contact me at (503) 605-6349.

Sincerely,

Marc Farrar
Regional Vice President of External Affairs
