

MT. HOOD CABLE REGULATORY COMMISSION
AGREEMENT FOR PROFESSIONAL SERVICES

Public Institutional Partners Network Planning Project

This is an amendment to the Contract between the Mt. Hood Cable Regulatory Commission ("Commission") and CTC Technology & Energy, hereafter called "Consultant."

RECITALS

1. The Commission approved the Contract June 20, 2016, for a term expiring September 30, 2017.
2. Additional time has become necessary for Consultant to properly complete the Contract Statement of Work.
3. The purpose of this amendment is to extend the term of the Contract through January 31, 2018.
4. All other terms and conditions of the Contract shall remain unchanged and in full force and effect.

AGREEMENT

1. The Contract is amended to extend the term of the Contract through, and including, January 31, 2018.
2. All other terms of the Contract shall remain the same.

This Contract Amendment may be signed in two (2) or more counterparts, each of which shall be deemed an original, and which, when taken together, shall constitute one and the same contract amendment.

The parties agree the Commission and Consultant may conduct this transaction by electronic means, including the use of electronic signatures.
