

The Digital Inclusion Network invites you to attend the 2018 DIGITAL INCLUSION SUMMIT: ECONOMIC OPPORTUNITY

Building a digitally connected, prosperous community

WHEN: Thursday, May 10, 8:30am – 4:00pm

WHERE: Pacific Northwest College of Art - [511 NW Broadway, Portland](#)

The 2018 Summit is designed to share insights, identify knowledge gaps and to continue our collaborative work to achieve digital equity. Participants will take advantage of inspirational keynotes, panel discussions, and networking breaks to help advance our collective efforts to build a digitally connected, prosperous community.

Breakfast and lunch will be provided. Register today to save your spot! This event is free but space is limited. **Register [here](#) and use password: summit2018**

The Summit is hosted by the Digital Inclusion Network (DIN), a consortium of diverse community-based organizations, public agencies and businesses working together through the Digital Equity Action Plan (DEAP) to raise awareness about digital equity barriers and to develop solutions to bridging the digital divide for our community's most vulnerable populations - people of color, people with disabilities, people with limited English language proficiency, people of low-income, and older adults.

For more about the DIN and the Digital Equity Action Plan: www.portlandoregon.gov/DEAP
