Pre-Application Budget Section

What is the estimated total project budget?

What is the anticipated grant request?
Applicants can request grant funds to support the project as necessary. Our average grant size is $75,379; the median grant size is $50,856.

Line Item Budget Estimates
The Line Item Budget should include estimates of all line item categories and totals listed in the corresponding columns of total expenditures for both requested grant funds and matching resources.

Please note that you will be asked to complete a budget narrative to describe the line item budget table if invited to complete a full application. In addition, your final application budget should not increase more than 10% from the pre-application budget without prior staff approval.

A FEW REMINDERS:
Matching Resource Requirement: Applicant matching resources must provide a minimum of fifty percent (50%) of the total project cost.

Overhead Costs: The Grant Program allows project budgets to include overhead cost from grant funds in a total amount of up to ten percent (10%) of the grant funded part of the project budget. The overall project budget may include overhead cost of up to ten
percent (10%) of the total project budget, but the remaining amount must be provided under the match.
